

FLORIDA STATE FOOTBALL SPRING PROSPECTUS

2007 SPRING OUTLOOK

Florida State Head Coach Bobby Bowden is preparing for his 32nd season on the Seminole sideline. The Hall of Fame coach brought in five new coaches in January and there is as much excitement surrounding this spring as any he can remember. This is the way the winningest coach in major college football history sees his team heading into spring practice.

How excited are you for spring practice this year?

Naturally any time you add as many coaches as we did the excitement level goes up for coaches, players and fans. There definitely is excitement. There will probably be as much interest in the coaching staff this spring as there will be in the players. Most of our players are coming back so it is going to be nice to see how our returning coaches and our new coaches blend and work and what kind of results they can get.

What are some of the big challenges this spring when you have five new coaches on staff?

Especially on the offensive side when you replace four of five coaches, you are not going to ask them to come in and do the same thing you were doing before. You are going to ask your new coordinator to come in and put in the offense he thinks is best, that he knows the best and that he thinks fits our personnel the best. That's going to be interesting to see. Our offensive staff with Jimbo (Fisher) heading it up, they will be in complete control of that offense.

What are the keys to spring practice?

The key to having a great spring is if we can stay healthy. It is sad when you go out there and someone gets hurt and misses the rest of the spring practices. The other thing that is tough about the spring is when players have to have surgeries if they need them. You can't wait until after spring or the summer. Last year we had a bunch of players who had surgeries and didn't go through spring practice. This year we don't have as many. It is very important.

QUARTERBACKS

KEY RETURNERS:
Xavier Lee
Christian Ponder
D'Vontrey Richardson
Drew Weatherford

KEY LOSSES:
None

POSITION COACH:
Jimbo Fisher

Quarterbacks

We expect the competition there to continue. The advantage to the players at quarterback with a new coach coming in is he is trying to learn everything he can about them and how quickly they can adapt to his coaching style. They will have 15 days of practice to evaluate them. That is always exciting.

RUNNING BACKS

KEY RETURNERS:
Russell Ball
Jamaal Edwards
Antone Smith

KEY LOSSES:
Lorenzo Booker

POSITION COACH:
Dexter Carter

FULL BACKS

KEY RETURNERS:
Matt Dunham
Seddrick Holloway
Joe Surratt*

KEY LOSSES:
None

Running Backs

You lost (Lorenzo) Booker but you have Antone (Smith) back. Antone actually had moved up to a starter before injuring himself on the second play of the Western Michigan game. He missed the rest of the year. Booker did an outstanding job for us but we still have four tailbacks on scholarship. Dexter Carter, who was one of the best running backs we ever had at Florida State, brings a lot of knowledge and practical experience with him from the NFL and here. We only lost one player at this position so it should be a fight there.

Antone Smith

WIDE RECEIVERS

KEY RETURNERS:

Greg Carr
De'Cody Fagg*
 Damon McDaniel
 Joslin Shaw

KEY LOSSES:

Chris Davis

POSITION COACH:

Lawrence Dawsey

Offensive Line

We lost two starters in Mario Henderson and Cory Niblock. With coach Trickett, who is probably one of the best offensive line coaches in the country, it is going to be interesting to see how he can shape that line.

DEFENSIVE LINE

KEY RETURNERS:

Alex Boston*
 Everette Brown
Andre Fluellen*
 Paul Griffin
Letroy Guion*
 Budd Thacker

KEY LOSSES:

Darrell Burston

POSITION COACHES:

Jody Allen (Ends)/Odell Haggins (Tackles)

Wide Receivers

We lost Chris Davis and Robert Hallback so we will watch what happens there. We have veterans coming back. I want to see how they respond to Lawrence Dawsey who again, like Dexter Carter, was one of the greatest players we ever had at Florida State. He was an All-American and a great professional receiver. We think we can do some good things at that position.

TIGHT ENDS

KEY RETURNERS:

Charlie Graham

KEY LOSSES:

Caz Piurowski^
 Brandon Warren
 (^ Piurowski moved to OL)

POSITION COACH:

John Lilly

Defensive Line

It will be a big boost to get Paul (Griffin) back. We lost him early in the season last year. We had to play so many young guys on defense, so many young guys that normally would not have played. Now at least those young players come in this season with experience. There will be some good competition there along the line.

LINEBACKERS

KEY RETURNERS:

Geno Hayes*
 Rodney Gallon
 Dakoda Watson

KEY LOSSES:

Buster Davis
 Lawrence Timmons

POSITION COACH:

Chuck Amato

Tight Ends (preview provided by Coach John Lilly)

Charlie Graham overcame some injuries early in the year to play really well for us as the year went on. Obviously we are going to depend heavily on him this spring. We also have Jonathan Persons who had some good springs for us. D.J. Norris has moved to tight end and playing his senior year he wants to have a good year. Injuries may limit him in the spring.

OFFENSIVE LINE

KEY RETURNERS:

Dumaka Atkins
Shannon Boatman*
Jacky Claude*
John Frady*

KEY LOSSES:

Mario Henderson
 Cory Niblock

POSITION COACH:

Rick Trickett

Linebackers

We lost (Lawrence) Timmons, who looks like a first round draft pick in the upcoming NFL draft, and you lose Buster (Davis), who was a senior starter. Thank goodness we did play some younger guys there last season but I am sure we have a lot of work to do there.

FLORIDA STATE FOOTBALL SPRING PROSPECTUS

SECONDARY

KEY RETURNERS:

Tony Carter*
Michael Ray Garvin
Jamie Robinson*
Myron Rolle*
Roger Williams*

KEY LOSSES:
NONE

POSITION COACH:
Mickey Andrews

Secondary

We did not lose anybody in the secondary so the key there is to get better. We have to keep working hard and getting better because we have a lot of young players in that group.

SPECIAL TEAMS

KEY RETURNERS:

Gary Cismesia*
Graham Gano*
Brent Moody*
Garrison Sanborn*

KEY LOSSES:
NONE

SPECIAL TEAMS COORDINATOR:
Jody Allen

Kicking Specialists

We have the kickers back, the punter back, the snapper back, the holder. Those are positions you don't hear anything about until they do something bad. You don't hear about that snapper until he gets a bad one. Then you hear about it. We are so lucky we have them all coming back.

HEAD COACH BOBBY BOWDEN

The statistics are truly startling. Florida State Head Coach Bobby Bowden, who was inducted into the College Football Hall of Fame in December of 2006, became the all-time winningest coach in major college history in 2003 and currently has 366 career wins. He is the second winningest bowl coach by percentage and is just two shy of tying for the most bowl wins ever by a college coach. He is the only coach to lead his team to 14 straight seasons that ended with a ranking among the Associated Press top five. He's

coached two national championship teams including the 1999 squad that was the first ever to go through a season from start to finish as the AP No. 1. So overwhelming has Bowden's influence been on college football and, in particular, at Florida State, that the field at Doak Campbell Stadium was named after him in 2004 and a national award given by the Fellowship of Christian Athletes now bears his name.

Bowden's interest in the sport of football began while watching his neighborhood high school team practice just on the other side of his backyard fence in Birmingham, Alabama. His love and talent for the game grew from playing with friends on the same fields everyday and later practicing with high school teammates. His knowledge of the game grew as a quarterback at Samford and from watching and listening to the legendary Bear Bryant. His skill and creativity were honed on the coaching staffs at South Georgia Junior College, FSU and West Virginia. But it has been his combination of leadership, vision, talent and magnetic personality that have flourished at Florida State, raising the program from perhaps its lowest point to the national powerhouse it is today.

Bowden's remarkable career is even more impressive when you consider the fact that he took over an FSU program in 1976 that had won just four games over the previous three seasons. He has remained at FSU despite offers from NFL teams and several other prestigious college football programs. Bowden's loyalty has meant the world to Florida State University and its athletics program. Part of that was recognized by the school in 2004 with the dedication of a statue of him that sits in front of the Moore Athletic Center and with the official proclamation of Bobby Bowden Field at Doak S. Campbell Stadium.

Bowden's record at Florida State is 293-81-4. The totals include a 155-26-2 record in Tallahassee, 33-8-1 record at neutral sites and 105-46-1 on an opponent's field. He has built those numbers against some of the nation's toughest schedules, earning respect for his team, attracting top players to his program and establishing his reputation as a competitor in the process.

Bowden achieved impressive numbers in his previous coaching stops, including a 31-6 record at his alma mater Samford University between 1959 and 1962, and a 42-26 mark at West Virginia from 1970-75 making his overall career record 366-113-4. But what he has done at FSU is simply phenomenal. Eighteen times in 31 years, his Seminoles have

won 10 or more games in a season. Florida State had been to just eight bowls in the 29 years before him. The 2006 Emerald Bowl marked the Seminoles' 28th since his arrival. He is, by far, the winningest coach ever at Florida State as his win total is greater than the previous seven Seminole head coaches combined.

Florida State is the only school to finish among the (Associated Press) Top Five for 14 consecutive seasons. The Seminoles finished first twice (1993, 1999), second twice (1987, 92), third four times (1988, 89, 97, 99), fourth five times (1990, 91, 94, 95, 96) and fifth in 2000. No team in college football history can match the run.

Bowden trails college football's overall record for bowl games won, held by Penn State's Joe Paterno with 22, by just two. The two legends met in the 2006 Orange Bowl and played to triple overtime before the Nitanny Lions won 26-23. The Orange Bowl trip marked the 14th consecutive "New Year's Day" bowl for FSU under Bowden. He is the

only coach in NCAA history to win 11 consecutive bowl games (1985-95) and the only coach ever with 14 consecutive bowl appearances (1982-95) without a loss (FSU tied Georgia 17-17 in the 1984 Citrus Bowl). Bowden and Florida State finished the 2006 season with an Emerald Bowl victory over UCLA marking the 20th bowl victory in his illustrious career. He is now one of just two coaches in NCAA history with 20 bowl wins.

Over the past 15 years, Florida State has played in the Atlantic Coast Conference. FSU is 104-16 since joining the league in 1992 and has claimed 12 ACC championships, including 2005 in the first-ever ACC Championship game. The Seminoles won 100 games faster than any team in conference history and also set the league record for consecutive victories. Bowden picked up ACC Coach of the Year titles in 1993 and 1997.

Part of the reason for Bowden's success in his long run at FSU is that the elements of the job that seem to turn into chores over the years for most coaches: recruiting, speaking engagements, public functions, and press responsibilities, come easily for Bowden.

"I feel great physically," said Bowden who turned 77 in November. "I've always been a people person. I enjoy getting to know people, so the recruiting is still a lot of fun for me. I like going into a player's home and meeting his parents and family. I don't have any desire to slow down on all the elements outside of the actual game that some people find hard. I understand why it grinds away at some people, but it just doesn't on me. I guess I've always been able to put football in its place."

He has developed the most consistently successful program in the history of college football. FSU won more games in the decade of the 1990s than any other program. The win over Wake Forest on October 25, 2003 allowed him to become the all-time winningest major college coach.

"To be honest, it doesn't really feel like I should be there," said Bowden at the time of the feat. "It's not something that I sat down 40 years ago and said 'you know if I coached long enough and was successful maybe I could get there'. That type of thought never entered my mind. I don't really think about it. Maybe when I'm done I'll look back on everything."

While Bowden has not spent much time looking back, most of the nation has spent time looking in at his program's extraordinary success. Just imagine a college basketball program advancing to the Final Four for 14 years in a row. FSU set an NCAA record with 14 straight Top Five finishes and the 2001 Orange Bowl was the Tribe's third straight national title game and fifth in eight years.

Like few other coaches before him, Bowden has created unreal expectations for his program. He has coached his Florida State teams so very close to perfection that for some, anything short of another national championship is a down year. The last time FSU did not finish the season ranked was following a 7-4-1 record in 1986. In fact, Florida State has won more games since 1990 than any other program in the country.

In the fickle world of "big-time" college sports some forget what it is all about. Sure, Bobby Bowden is proud of his two national championships, his place among the all-time greats, and a football program that is the model for the entire country. But he has always pointed to the fact that there are more important things in life. He makes time for charity and to give to his church. He has never passed an admiring child without a wink and a smile. He greets total strangers. He listens and he cares.

What Bobby Bowden means to Florida State University off the playing field cannot be measured. Respect, sincerity, class, honesty, charisma,

charm and humor are just some of the words that describe and define this man better than wins, losses or coaching records.

It has been well chronicled how the Birmingham, Alabama native left snowy West Virginia to come to Florida State and save the program. Four seasons after he first walked across the campus, he had taken FSU to within one game of a national championship.

Rising above Bowden's coaching accomplishments, though, are his credentials as a man. Friendly and outgoing, he is a deeply religious man who believes strongly in the strength of the family. He loves people. His personality and charm are bigger than life and he has become somewhat of a folk hero. An engaging speaker, Bowden is constantly in demand and most free evenings will find him on the speaking circuit. His off-season travel schedule would exhaust anyone. Sunday morning will usually find him in the pulpit of a church somewhere in the south. Outside of football, Bowden has an intense interest in World War II history and he is a voracious reader on the subject. He traced his ancestry to parts of Germany and has visited the country several times.

Bowden was an outstanding football player at Woodlawn High School in Birmingham and went on to Alabama as a freshman quarterback, fulfilling a lifelong dream to play for the Crimson Tide. He lasted one semester in Tuscaloosa before high school sweetheart Ann Estock lured him back to Birmingham. They soon married and Bobby transferred to Howard College in Birmingham. The two celebrated their 50th wedding anniversary in the same year (1999) that FSU won its second national championship and Bowden coached his only undefeated team, which was the first team ever to go wire-to-wire as the AP No. 1 in college football history.

Bowden served as an assistant football coach and head track coach at Howard College (now Samford) from 1954-55. He left his alma mater to serve as Athletics Director and Head Coach at South Georgia Junior College from 1956-58. He returned to Samford as head coach from 1959-62. He joined the Florida State coaching staff under head coach Bill Peterson as wide receivers coach from 1963-65. During that time, he coached Seminole receiver T.K. Wetherell who is now president of FSU. Bowden moved on to West Virginia, serving as offensive coordinator from 1966-69 before taking over as the Mountaineers' head coach from 1970-1975. He was named FSU's head coach in January 1976.

Bowden's faith and family have always been most important to him. The nation can follow son Tommy's career as head coach at Clemson as well as Terry, who is a college football analyst. The Bowden's oldest son, Steve, co-wrote a book entitled "The Bowden Way" with his dad that hit the Wall Street Journal's best seller list. Youngest son, Jeff, spent 13 seasons working side-by-side with his father on the FSU staff. His oldest daughter Robyn is married to Atlanta area high school coach Jack Hines and his youngest daughter Ginger is an attorney.

Bobby Bowden and Heisman Trophy-winning quarterback Charlie Ward were inducted into the College Football Hall of Fame in early December. The 2006 class included 13 All-America players and two legendary coaches. FSU was the only school with two inductees.

Bowden and Penn State head coach Joe Paterno were also recognized as Co-Gold Medal winners - an honor first awarded to U.S. President Dwight D. Eisenhower at the inaugural NFF Awards Dinner in 1958.

MIAMI (AP) - Gary Cismesia took his final warmup kick on the sideline, rubbed his head, fastened his helmet strap and jogged onto the field. He looked cool and calm, then did what so many Florida State kickers over the years could not. He beat Miami. Cismesia's 33-yard field goal with 8:06 left lifted the 11th-ranked Seminoles to a 13-10 win over the No. 12 Hurricanes on Monday night.

Michael Ray Garvin intercepted Kyle Wright's final pass with 29 seconds left, sealing the victory. It was the second straight win in the series for the Seminoles, who also eked out a three-point win over their Sunshine State rival in last season's opener.

Drew Weatherford, who struggled in the 2005 win, was solid this time - throwing for 175 yards, 62 of them on a pair of pivotal third-down conversions that set up the Seminoles' lone touchdown early in the fourth quarter. And Florida State's hopes almost entirely hinged on the passing game, since Miami's defensive front held the Seminoles to 1 yard on 25 rushes.

Still, even a performance like that wasn't enough to carry the Hurricanes, who managed only 17 yards in the second half and wasted a 10-3 halftime lead.

Charlie Jones had a 4-yard touchdown run for Miami, which hadn't lost to Florida State in the Orange Bowl since 1998 - and has now lost three of its last four games overall dating back to last season. The revamped Hurricane offense struggled mightily; Wright was 18-of-27 passing, but gained only 132 yards.

And the rushing game, like Florida State's, was nonexistent: Miami had 2 yards on 26 carries, the second-lowest total in school history.

Joe Surratt had a 1-yard touchdown plunge for Florida State on the first play of the final quarter, and De'Cody Fagg had three catches for 60 yards for the Seminoles.

Darnell Jenkins and Lance Leggett each had four catches and combined for 93 yards for the Hurricanes, but the duo made only one catch in the second half.

Without Weatherford's clutch play in the third quarter, Cismesia may never have gotten his chance.

Weatherford - now 2-0 against Miami as a starter - had third-down passes of 28 and 34 yards to breathe life into a stagnant Florida State offense, setting up Surratt's score that pulled the Seminoles into a 10-10 tie.

A close game shouldn't have surprised anyone at the Orange Bowl - this marked the seventh time in the last eight meetings between the schools that the outcome was decided by eight points or less.

Cismesia hit a 37-yard field goal 6:04 into the game, opening the scoring.

Miami's first scoring drive was highlighted by a 27-yard catch by Jenkins, who adjusted and spun to grab a slightly underthrown ball shortly before Jones' touchdown run with 13:02 left in the half. Jon Peattie added a 20-yard field goal later in the half, pushing the margin to 10-3. Miami's Brandon Meriweather had an interception shortly before halftime, giving the Hurricanes the ball at Florida State's 31 - but the offense couldn't extend the lead, and that missed opportunity proved costly.

TALLAHASSEE, Fla. (AP) — Buster Davis' interception set up a 4-yard touchdown run by Joe Surratt with 1:56 left, and No. 9 Florida State rallied late to escape with a 24-17 victory over Troy on Saturday.

The Seminoles (2-0) scored two touchdowns in the final 6:12 to pull out the victory. Davis, the 5-foot-10 linebacker, intercepted Omar Haugabook's third-down pass at the Troy 29 moments after Florida State had tied the game at 17-17.

Haugabook completed 28 of 46 passes for 219 yards, but was intercepted three times. Drew Weatherford threw a 5-yard tying TD pass to Chris Davis, whose muffed punt minutes earlier led to Troy grabbing the lead.

Weatherford, who passed for 336 yards, also connected on a 17-yard scoring pass with Greg Carr that gave the Seminoles a 7-3 lead early in the second half.

After managing just 1 yard rushing against Miami in their season-opening victory, the Seminoles again were stalled on the ground. Florida State gained 45 yards on 28 carries, nearly all coming in the fourth quarter.

Freshman Antone Smith led Florida State with 25 yards rushing on a half dozen carries and Lorenzo Booker added 18, also on six tries.

Davis' muff with 12:54 left was recovered by Elbert Mack at Florida State's 31 and Haugabook scored on a 1-yard run to give Troy a 17-10 lead.

Gary Cismesia, who had earlier missed from 39 yards, tied the game at 10-10 with a 44-yard field goal with 4:04 left in the third quarter.

The Seminoles scored on their first drive of the second half on Carr's leaping catch in the end zone.

But Troy answered with an 80-yard scoring drive culminated by Haugabook's 3-yard touchdown strike to Toris Rutledge.

Troy had its chances to put more points on the board.

Despite moving inside Florida State's 20 on three occasions in the first half, the Trojans managed just one field goal — a 39-yard kick by Whibbs with 4:41 left in the second quarter that stood for a 3-0 halftime lead.

Troy made it to Florida State's 3 on the game's opening drive, but Roger Williams intercepted Haugabook's pass in the end zone after it was first tipped by cornerback Tony Carter.

The Trojans had a second scoring opportunity moments later in the first quarter, but Whibbs 31-yard field goal try was blocked by Florida State's Everette Brown.

James Davis plunged into the end zone from a yard out with 8 seconds left to give Clemson a 27-20 victory over No. 9 Florida State, Tommy's third win in the last four years over Bobby Bowden.

Clemson had not won in Tallahassee in 17 years.

And momentum changed dramatically at the end when replay officials overruled a field official's decision on a fumble that had awarded the ball to Florida State.

Then Davis took over. The sophomore tailback got 67 of his 87 yards on the final drive, including a 47-yard ramble that took the ball to Florida State's 4.

Two plays later he was in from a yard out for his second touchdown of the game. Clemson had not won at Florida State since 1989 when Terry Allen led the Tigers to a 34-23 victory, three years before the Seminoles joined the ACC.

Clemson (2-1, 1-1 Atlantic Coast Conference) won despite having two kicks blocked and returned for points by Florida State's Tony Carter. He ran back a blocked field-goal attempt for a touchdown and another for two points on a blocked extra point - the first returned PAT for points in Florida State's football history.

Florida State led just once, 9-6, after Carter's 69-yard run with a blocked field goal try. He'd raced 80 yards with the blocked extra point after Clemson opened the scoring on Davis' 8-yard run.

Florida State (2-1, 1-1) struggled again offensively. It's first offensive touchdown came on Joe Surratt's 1-yard run with 10:27 left in the game and Drew Weatherford hit Chris Davis for the 2-point conversion to tie the game 20-20.

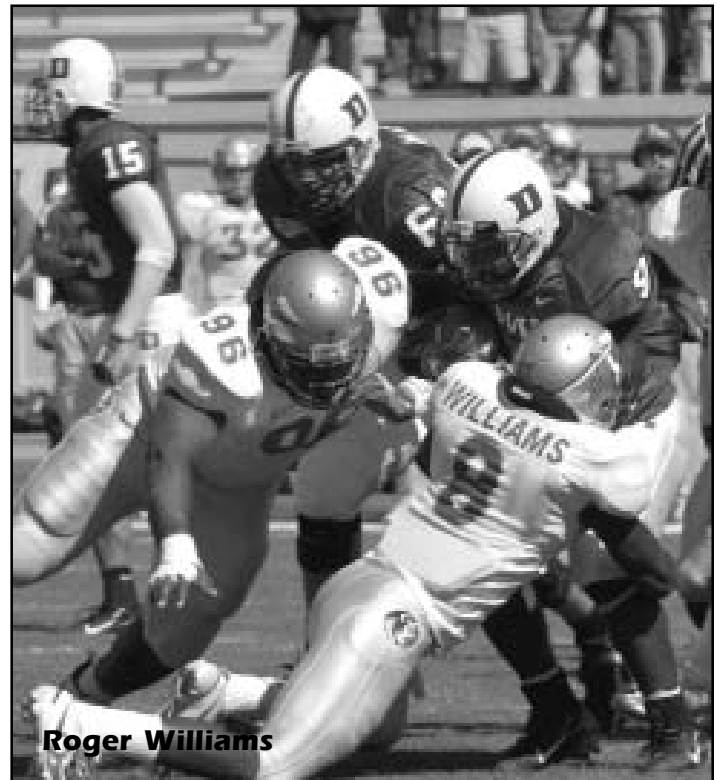

Florida State didn't score in the first half for the third straight game, managing its first points late in the third quarter on Gary Cismesia's 25-yard field goal that trimmed Clemson's lead to 20-12.

Will Proctor's 20-yard TD run put the Tigers up by 11.

Clemson grabbed a 14-9 lead with 23 seconds left in the half on Proctor's 19-yard scoring pass to Chansi Stuckey, who caught 11 passes for 156 yards and two touchdowns in Clemson's 35-14 win over the Seminoles last year. The Tigers were successful on a 2-point try when Proctor again hit Stuckey.

Florida State, seemingly confused on offense at the beginning of the game, was out of timeouts less than nine minutes into the game, although one came in advance of a Clemson punt. The Seminoles had only 89 yards offense in the first half and finished with 204.

Weatherford was 11 of 19 passing for 102 yards and didn't once try wideout Greg Carr, who led the league a year ago in touchdown catches.

TALLAHASSEE, Fla. (AP) - After years of losing to Dad, Clemson's Tommy Bowden is getting the best of college football's most famous family feud.

TALLAHASSEE, Fla. (AP) -Antone Smith ran for 137 yards and two touchdowns and Lorenzo Booker added 115 yards and a score as No. 18 Florida State beat winless Rice 55-7.

The Seminoles led 26-7 at halftime on Drew Weatherford's 18-yard touchdown pass to Greg Carr, who also caught a 57-yard TD pass in the fourth quarter from Xavier Lee.

Florida State (3-1) scored earlier in the half on short runs by Joe Surratt and Smith and a pair of field goals by Gary Cismesia, including a 53-yarder. Florida State ran for 287 of its 500 total yards, nearly doubling the 148 yards it had in its first three games.

Carr, who was not thrown to during limited action in Florida State's 27-20 loss to Clemson a week ago, caught five passes for 107 yards and helped spring two other long gains with downfield blocks.

The Seminoles rolled up 280 yards offense by the half, exceeding their average from the first three games.

Rice (0-4) tied the game briefly, 7-7 midway through the first quarter, when Jarett Dillard ran past Florida State's secondary to haul in a 32-yard scoring pass from Joel Armstrong. It was the sixth straight game Dillard has caught a TD pass.

Quinton Smith ran for 104 yards on 16 tries and Dillard caught seven passes for 113 yards for the Owls, who were beaten 52-7 by Texas last week and have now lost 20 of their last 21 games, leaving new coach Todd Graham still looking for his first victory.

Florida State's 76-year-old coach, Bobby Bowden, improved his 41-year career mark to 362-108-4, the most in major college history and moving him six ahead of Penn State's Joe Paterno, 79.

Weatherford completed 8 of 12 passes for 102 yards and Lee completed 5 of 11 for 111 yards.

Cismesia's also had a 32-yard field goal that was set up by a 54-yard interception return by freshman linebacker Marcus Ball, who was carted off in the second half with an injury to his left knee.

Florida State's 82,000-seat stadium was about a third empty Saturday with the Seminoles coming off last week's loss to Clemson and playing their third straight home game. There were approximately 10,000 empty seats on Nov. 14, 1992 when Florida State routed Tulane 70-7, school officials said.

RALEIGH, N.C. (AP) - Daniel Evans threw three touchdown passes - including the go-ahead score in the fourth quarter - to lead the Wolfpack to a 24-20 victory over No. 17 Florida State Thursday night, the second straight Atlantic Coast Conference win for a team that appeared to be going nowhere just a few weeks ago.

Evans connected with John Dunlap on a 12-yard score with 10:36 left for the Wolfpack (3-2, 2-0 ACC), which rallied from a 10-point third-quarter deficit behind another poised performance from a redshirt sophomore quarterback in his second career start.

Andre Brown added 113 yards rushing, marking the second straight year Brown cracked the 100-yard mark against the Seminoles (3-2, 1-2).

Brown ran for 179 yards last year in a 20-15 road win, marking the Wolfpack's third win in six tries against the Seminoles under Amato - an 18-year assistant at Florida State to Bobby Bowden before taking over here in 2000. In fact, the Wolfpack came in as the only ACC team with four wins against Florida State since the Seminoles joined the league 14 years ago.

Now N.C. State has another big win to celebrate against Amato's former boss. Evans completed 13 of 22 passes for 190 yards. And his scoring pass to Dunlap was eerily similar to the TD toss he threw to Dunlap with 8.5 seconds left in a 17-15 win against then-No. 20 Boston College two weeks ago.

With the Wolfpack facing a second down, Evans lobbed a perfectly thrown pass toward the back right corner of the end zone. Dunlap jumped over defender Patrick Robinson and came down with the football and a 24-20 lead.

FOOTBALL

The lead ultimately held up, but not by much. The Seminoles put together one last drive that started at their own 5 with 5:39 left, but the drive stalled at N.C. State's 39 when Morgan intercepted Weatherford's pass with about 2 1/2 minutes left. The Seminoles had burned their last timeout early in the fourth, allowing Evans and the Wolfpack to kill the clock to end it.

Now the Seminoles find themselves slipping further down the ACC's Atlantic Division standings, creating a difficult road for them to return to the league championship game.

The Seminoles seemed to have control of momentum midway through the third quarter after a goal-line stand that included stopping Toney Baker inside the 1 when he leapt for the end zone on fourth down. The Seminoles then put together a 99-yard drive, ending when Weatherford connected with Warren with 3:02 left in the third quarter.

But the Wolfpack closed to 20-17 when Evans found Geron James for a 10-yard touchdown with 16 seconds left in the third. Then, after the Seminoles went three-and-out, Evans directed the 58-yard drive that ended with his TD toss to Dunlap.

Weatherford threw for 249 yards and two touchdowns for the Seminoles.

DURHAM, N.C. (AP) - Drew Weatherford threw three of his four touchdown passes to Greg Carr, and Florida State continued its dominance over Duke with a 51-24 rout of the Blue Devils. Weatherford was 16-of-24 passing for 231 yards and completed 10 straight second-half attempts to help the Seminoles (4-2, 2-2 ACC) improve to 15-0 against the Blue Devils (0-6, 0-4).

Florida State entered the Duke game after a loss for the third straight season, and once again the Seminoles took out their frustrations on the hapless Blue Devils, this time gaining

478 total yards. Since the series started in 1992, Duke has held the Seminoles to fewer than 44 points only once (2004).

Carr finished with four receptions for 100 yards and caught touchdowns from Weatherford covering 33, 16 and 35 yards. Weatherford also had a 9-yard scoring pass to De'Cody Fagg midway through the first quarter which was set up by Chris Davis' 51-yard punt return inside the 10. Antone Smith ran 80 yards for a touchdown on the first play of the second half for Florida State.

Lawrence Timmons started the FSU scoring by returning a fumble for a TD, and he later blocked an extra-point attempt. FSU used its defense to take control early. Duke's Thad Lewis fumbled on the fourth play from scrimmage, and Timmons scooped it up and rumbled 36 yards into the end zone to make it 7-0 just 1:17 into the game. Weatherford had touchdown passes to Fagg and Carr on consecutive possessions later in the first quarter to extend the lead to 21-0.

Duke's offense continued to struggle, so twice the Blue Devils turned to their defense for points. Cornerback John Talley returned a second-quarter interception 50 yards for a touchdown, but Florida State scored on the conversion attempt when Timmons blocked the extra-point try and Patrick Robinson returned it for two points.

Duke later scored on a safety when Vince Oghobaase tackled running back Lorenzo Booker in the end zone early in the third quarter, making it 30-8. Joe Surgan kicked a 40-yard field goal on Duke's following possession.

Xavier Lee played the second quarter and part of the fourth in place of Weatherford and was 7-of-13 passing for 90 yards with a late touchdown and three second-quarter interceptions. He was picked off twice by Talley.

TALLAHASSEE, Fla. (AP) -Although he battled leg cramps for much of the game, Boston College's DeJuan Tribble was ready when it counted.

Tribble's 36-yard interception return for a touchdown capped a 21-point second quarter Saturday and the 22nd-ranked Eagles held off Florida State 24-19. It was Tribble's third pick

of the season and sixth of his career, but the first time he'd managed to pick up any yards, much less a score.

Weatherford tried for the 6-foot-6 Carr again on the game's final play, but this time he was blanketed in the end zone by half the Boston College defense and the ball was picked off by Larry Anam. That play was reviewed, but stood as called on the field.

The loss left Florida State alone at the bottom of the Atlantic Coast Conference's Atlantic Division.

The Seminoles (4-3, 2-3 ACC) had their chances late in the game, but couldn't capitalize as they lost a second home conference game in the same season for the first time since joining the ACC 15 years ago.

The outcome was largely settled in the final minute of the first half when Boston College (6-1, 3-1) scored two touchdowns just 31 seconds apart to take a 21-10 lead.

BC's new placekicker, Steve Aponavicius, added a 26-yard field goal in the third quarter to make it 24-10. Boston College's first touchdown, a 1-yard run by Brian Toal, came just two plays after Florida State's Caz Piurowski coughed up the ball after a catch at the Seminoles' 15.

Florida State had taken a 10-7 lead with 1:49 left in the half when Carr hauled in a 22-yard touchdown pass from Weatherford on a crossing pattern. The score came one play after a pass he'd caught in the end zone was negated by a penalty. But then things fell apart.

With the lead and a chance to get the ball back in good field position, Florida State chose to go for a blocked punt, but ended up roughing BC's Johnny Ayers. Five plays later L.V. Whitworth scored on a 6-yard run to give the Eagles a 14-10 lead.

And then Tribble stepped in with his big play to really put a damper on the halftime activities on a day Florida State wore black uniforms for the first time to honor the Seminole Tribe of Florida.

Weatherford, whose 1-yard TD early in the fourth quarter pulled Florida State to within 24-17, completed 32 of 48 passes for 326 yards and two interceptions. Chris Davis had 10 catches for 100 yards, while Carr was limited to 3 catches for 41 yards.

BC quarterback Matt Ryan completed 16 of 26 passes for 262 yards and the Eagles limited Florida State to 28 yards rushing.

Roger Williams' 38-yard interception return set up the game's first score, a 28-yard field goal by the Seminoles' Gary Cismesia early in the second quarter.

COLLEGE PARK, Md. (AP) - Sam Hollenbach threw three touchdown passes, and Maryland held off injury-depleted Florida State 27-24 to keep the Seminoles in the ACC cellar. Maryland led 27-14 in the third quarter, but was not assured the victory until Jeremy Navarre blocked a 46-yard field goal try by Gary Cismesia with 42 seconds left. It was only the second time in 17 tries that the Terrapins (6-2, 3-1) beat the Maryland won despite making only three first downs in the second half.

FSU quarterback Drew Weatherford was a late scratch with tendinitis in his right foot, ending a run of 20 successive starts. He was replaced by sophomore Xavier Lee, who came in with 55 career passes compared to 676 by Weatherford. Making his first career start, Lee went 22-for-36 for 286 yards and two touchdowns.

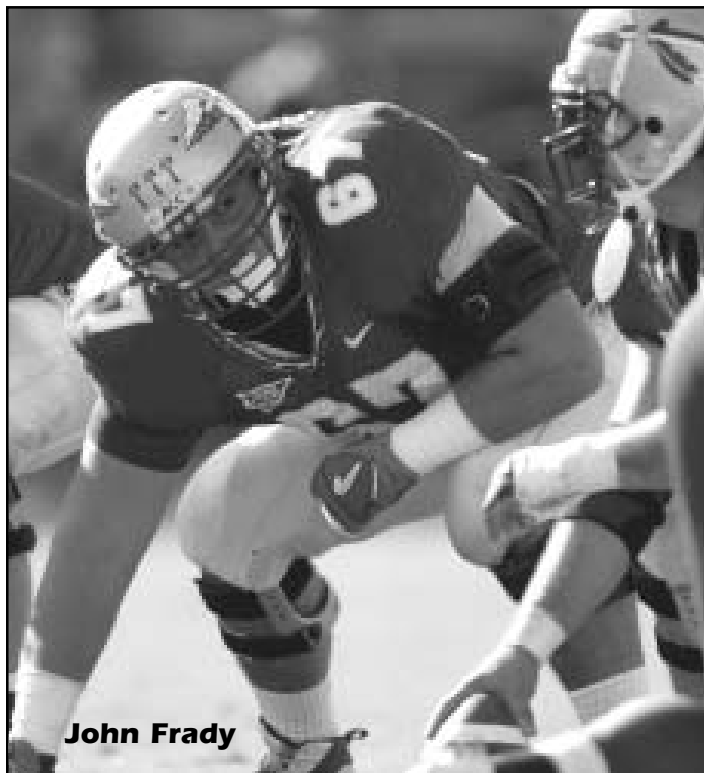

The Seminoles also played without leading receiver De'Cody Fagg, who has a sprained ankle. His replacement, Joslin Shaw, caught two passes for 35 yards but also dropped one. Short-handed FSU closed to 27-24 with 8:49 left when Cismesia kicked a 24-yard field goal after Lee completed a 55-yard pass to Chris Davis.

Florida State then forced a punt and took over at its own 15 with 5:30 to go.

It was a daunting situation, but Lee showed plenty of poise by repeatedly finding the open receiver during the final drive. He also received some aid from the Terps, who jumped offside on a fourth-and-1 from the FSU 46.

FSU got to the Maryland 16, but a sack and an incomplete pass preceded the ill-fated field goal try by Cismesia. A brisk wind with gusts of up to 40 mph played havoc with the kicking game. On the opening drive of the third quarter, FSU coach Bobby Bowden decided against punting into the wind on a fourth-and-1 at midfield.

Fullback Joe Surratt was stuffed by Navarre, and a personal foul against the Seminoles gave Maryland a first down on the FSU 33. On third down, Hollenbach threw a 30-yard touchdown pass to Darius Heyward-Bey. It turned out to be the Terrapins' final score. Lee then directed an 80-yard drive into the wind, capping the march with a 17-yard touchdown pass to Davis.

Maryland took advantage of a turnover to go up 7-0 in the first quarter. After FSU receiver Greg Carr lost a fumble, Hollenbach capped a 48-yard drive with a 3-yard touchdown pass to Dan Gronkowski.

After Antone Smith scored on a 9-yard run for FSU, Dan Ennis put Maryland back in front with a field goal. The Terrapins then forced a punt, and Danny Oquendo returned the kick 35 yards, setting up a 5-yard touchdown catch by Heyward-Bey for a 17-7 lead.

A 28-yard punt gave Maryland the ball at the FSU 49, and the Terps converted the fine field position into another field goal. The Seminoles then closed to 20-14 when Carr made a leaping catch in the end zone with 53 seconds left in the half.

TALLAHASSEE, Fla. (AP) - Tony Carter returned an interception 35 yards for a touchdown 74 seconds into the game, and Florida State was on its way to snapping a two-game skid with a 33-0 victory over Virginia on Saturday.

Coach Bobby Bowden's Seminoles (5-4, 3-4 Atlantic Coast Conference) started the day in last place in the Atlantic Division, then dominated the Cavaliers (4-6, 3-3) from start to finish. Florida State held Virginia to 12 first downs and 183 yards offense, and posted their first shutout since a 37-0 win at Notre Dame in 2003.

Florida State, a win away from being bowl eligible, had a 14-0 lead less than five minutes into the game.

After Carter picked off Jameel Sewell's pass and raced for a touchdown, freshman walk-on Eli Charles blocked a punt to set up Lorenzo Booker's 1-yard TD run.

Gary Cismesia's 44-yard field goal with 2:21 left in the second quarter gave the Seminoles a 17-0 lead at halftime. Florida State boosted its lead to 26-0 five minutes into the third quarter.

Buster Davis sacked Sewell in the end zone for a safety and the Seminoles needed just four plays on the ensuing possession to get into the end zone on Xavier Lee's 37-yard pass to Chris Davis.

Sewell as under duress all afternoon, throwing two interceptions and getting sacked six times. He completed 17 of 32 passes for 125 yards and Jason Snellings added 63 yards rushing.

Virginia needs wins over Miami and Virginia Tech to qualify for the postseason.

Florida State, which has not missed out on a bowl game since 1981, finishes the season

with three straight home dates against Wake Forest, Western Michigan and Florida.

After a slow start Saturday, Lee completed 12 of 25 passes for 185 yards and a touchdown. Lee, making just his second start and first at home, also rushed for 49 yards on four carries. He left in the fourth quarter after Antone Smith's 2-yard TD run made it 33-0.

In the last two games, Lee has produced 570 yards offense and thrown three touchdown passes without a turnover.

Drew Weatherford finished up for Bowden, who notched his 364th career win - best in NCAA Division I-A.

TALLAHASSEE, Fla. (AP) -Kevin Patterson scored on a 48-yard interception return and No. 18 Wake Forest beat Florida State 30-0 Saturday night to become the first team to shut out the Seminoles at Doak Campbell Stadium in Bobby Bowden's 31 seasons as coach.

The resurgent Demon Deacons (5-1, Atlantic Coast Conference) improved to 9-1 for the first time in school history with their first win over Florida State in 23 years. Wake Forest last won in Tallahassee in 1959.

The struggling Seminoles (5-5, 3-5), meanwhile, hit a new low. Florida State hadn't been shut out since in 232 games, dating back to the 1988 opener at Miami.

Wake Forest can earn a spot in next month's conference championship game with wins over Virginia Tech and Maryland in its final two games while Florida State needs a win over either Western Michigan or Florida to be bowl eligible.

Things started poorly for the Seminoles and then got worse.

The Demon Deacons picked off Florida State's Xavier Lee on successive passes deep in Seminoles territory early in the second quarter and the turnovers led to 10 points.

Riley Skinner hit John Tereshinski on an 18-yard touchdown pass on the first play after Stanley Arnoux's interception for a 13-0 lead with 9:12 left in the half.

Wake Forest had a 6-0 lead on a pair of Sam Swank field goals, the second set up by Alphonso Smith's interception that gave them the ball at Florida State's 9.

Swank nailed his third field goal from 51 yards - his fifth of the season from 50 or more - to give Wake Forest a 23-0 lead with 3:31 left in the third quarter.

Wake dominated the opening half, rolling up 211 yards to just 77 for Florida State, which switched quarterbacks after Lee's second interception.

Drew Weatherford, who replaced Lee, was 4 of 15 for just 52 yards and two interceptions. Lee finished 5 of 13 for 61 yards. Both were picked twice and the Florida State offense produced just 139 yards on 51 plays.

When Patterson grabbed a tipped pass thrown by Weatherford and raced down the left sideline to give the Demon Deacons a 30-0 lead in the final minute of the third quarter much of a disgruntled home crowd of 77,785 bolted as well.

Florida State players wore the #95 on their helmets Saturday night in memory of Miami defensive end Bryan Pata, who was shot to death earlier this week. His brother, Edwin Pierre-Pata, is a senior walk-on at Florida State.

TALLAHASSEE, Fla. (AP) - Backup quarterback Xavier Lee tossed two touchdown passes to Greg Carr, Lawrence Timmons scored on a 22-yard interception return, and Florida State beat Western Michigan 28-20 Saturday to become bowl eligible.

Western Michigan's last-minute effort to tie it ended on the final play when Ryan Cubit's pass into the end zone was incomplete on a fourth-and-29 from the Florida State 30.

Florida State (6-5) has gone to bowls for 24 straight seasons and needed a win in one of its final two games to keep the streak alive. The Seminoles host archrival Florida next Saturday.

Lee, who replaced starter Drew Weatherford in the second quarter, completed nine of 13 passes for 144 yards. Weatherford finished 5-for-10 for 34 yards.

On his first play, Lee hit the 6-foot-6 Carr for a 26-yard touchdown throw that put Florida State ahead 14-3 in the second quarter.

Carr's 10th touchdown catch of the season - a 19-yard throw from Lee - gave the Seminoles a 28-13 lead early in the fourth quarter after Timmons scored with 1:20 left in the third. Timmons also broke up three other passes and was putting heavy pressure on Cubit for much of the game.

Carr, a sophomore, moved into a tie with Talman Gardner for ninth on Florida State's career list with 19 TD receptions. Former Seminoles wideout Peter Warrick tops the list with 31 touchdown receptions.

Western Michigan (7-4) pulled to 28-20 with 9:20 left on Cubit's 10-yard touchdown pass to Herb Martin. But mistakes, and one gamble, were costly for the Broncos.

Trailing 21-13, Western Michigan failed to convert a fourth-and-1 on its own 29 on the final play of the third quarter and the Seminoles scored in six plays on Carr's second TD.

Cubit, who completed 27 of 49 passes for 229 yards and two scores, also was intercepted in the first half by Roger Williams, setting up Carr's first TD catch.

Cubit threw a 27-yard touchdown pass to Jamarko Simmons midway through the second quarter to cut Florida State's lead to 14-10.

Chris Davis' 8-yard scoring run on a reverse gave the Seminoles a 7-3 lead with 10:38 left in the second, ending a scoreless drought of 87 minutes and 59 seconds dating to the final quarter of the Virginia game two weeks ago.

Nate Meyer kicked field goals of 50 and 43 yards for Western Michigan.

Florida State likely lost its starting tailback, Antone Smith, for the rest of the season with a dislocated right elbow, coach Bobby Bowden said.

TALLAHASSEE, Fla. (AP) - Chris Leak threw for 283 yards and two touchdowns, Percy Harvin ran for a score and the fourth-ranked Gators beat Florida State 21-14.

Florida (11-1) won its third straight against Florida State. The Gators won consecutive games in Tallahassee for the first time since 1986 and won three in a row against their in-state rivals for the first time since a six-game streak between 1981 and 1986.

Leak had a lot to do with the current streak. He completed 21 of 34 passes and directed several long drives Saturday. The most impressive came when Florida needed it most. Leak was 7-of-8 for 81 yards on the game-winning drive early in the fourth quarter. He called an audible on third down, recognizing a blitz and checking to a slant pass, and hooked up with Dallas Baker for a 25-yard gain. He connected with Baker again two plays later for a 25-yard score.

The Seminoles (6-6) had two chances to even the score, but they failed to convert on fourth down twice - once in Florida territory and once deep in their own end.

FOOTBALL

The Gators led 14-0 at halftime - Andre Caldwell caught a screen pass and turned it into a 66-yard score and Harvin had a 41-yard TD run from the quarterback position. Florida's Chris Hetland missed two short field goals, and is now 3-for-12, prompting many to question why Meyer has stuck with him.

The misses almost proved costly, too.

Joe Surratt scored from a yard out in the third quarter and the Seminoles tied the game in the fourth on Drew Weatherford's 25-yard TD pass to Greg Carr.

But Leak rallied the Gators on the ensuing drive.

The Gators also overcame the loss of Harvin and running back DeShawn Wynn.

Harvin, the team's most dynamic player, was strapped to a backboard and carted off the field in the second quarter. He was hurt while trying to catch a pass across the middle. Harvin's head appeared to hit linebacker Buster Davis' knee. He stayed on the ground for several minutes before team doctors decided to cart him to the locker room.

Florida State's offense was woeful - again - for much of the game.

Weatherford started and played three series before getting benched in favor of Xavier Lee. Weatherford was 3-of-9 for 46 yards. Lee was even worse in the next three series, completing two of six passes for 8 yards and fumbling a snap.

Weatherford returned and was roundly booed, especially after getting sacked and fumbling out of bounds on his first play back. Nonetheless, coach Bobby Bowden stuck with Weatherford in the second half, a questionable decision after he threw interceptions on the first two series of the third quarter.

Weatherford was picked off for a third time following Surratt's touchdown, but he rebounded with consecutive passes to Carr to start the fourth. The second one was a jump ball in the end zone that Carr caught over cornerback Reggie Lewis.

Weatherford finished 16-of-37 for 181 yards and couldn't complete the comeback.

SAN FRANCISCO (AP) - Although Bobby Bowden has led Florida State to much bigger victories in far grander bowls, a winning season is always sweet - even when it ends with Bowden raising the Emerald Bowl trophy in a chilly baseball park 2,600 miles from Tallahassee.

Lorenzo Booker ran for 91 yards, caught five passes for 117 more and scored two touchdowns, leading the Seminoles to a 44-27 victory over UCLA on Wednesday night to put a happy ending on Bowden's 30th straight winning season.

But the 77-year-old Bowden still hasn't coached a losing club since going 5-6 in his first season at Florida State - and with 21 points in the fourth quarter against the collapsing Bruins (7-6), the Seminoles are headed into 2007 with more momentum than they've had all season.

"That's what Florida State used to do all the time," Bowden said. "I hope this is a good sign for us. I've been looking for that sign."

A 3-5 record in ACC play, including four losses in six games to close the regular season, forced Florida State to finish an ignominious year with the longest road trip in school history. The Seminoles have played in 25 straight bowl games, but the last 15 were played in January, with considerably bigger stakes and payouts.

Don't tell that to Booker, a California native who got a chance to impress 130 friends and family members in the stands. This minor bowl was a major win.

"We have a 30-year streak, and we're proud of our history," said Drew Weatherford, who overcame a shaky start to pass for 325 yards, 126 in the fourth quarter. "We had to keep it going, and it gives us a head start and a boost for next season."

Florida State's fourth quarter was dynamite. Greg Carr caught a go-ahead, 30-yard touchdown pass on fourth-and-9, and Booker capped his final college game with a key third-down catch and a 3-yard TD run with 6:17 left.

Tony Carter's 86-yard interception return for another score 37 seconds later was the finishing touch in Bowden's 20th bowl victory.

Patrick Cowan passed for 240 yards and Chris Markey ran for 144 for the inconsistent Bruins, who came in with a three-game winning streak, highlighted by a 13-9 victory over archrival USC 3 1/2 weeks ago.

"When you look at the score the next day, I'm sure people are going to say, 'Wow, what happened?'" UCLA coach Karl Dorrell said. "But it was a lot different game than the score indicated. We played three pretty good quarters, so from an effort standpoint, I don't have any questions we're heading in the right direction."

Yet the Seminoles rolled over the Bruins on offense, defense and special teams in the second half. Lawrence Timmons returned a blocked punt 25 yards for a score in the third quarter, and Carter's return was just one of several big stops.

"This is one of those times that a lot of people were doubting if Florida State football was any good," Weatherford said. "It makes it sweeter that UCLA beat USC. It shows we're going to be back in the national championship picture at some point in the near future, maybe even next year."

Most in the sellout crowd of 40,331 fans cheered UCLA, but Florida State had a surprisingly solid rooting section for a game on the opposite coast.

Florida State took a 23-20 lead in the third quarter when Dekoda Watson blocked a punt and Timmons returned it for a score, but UCLA went back ahead on Chane Moline's 8-yard TD run moments later.

When a Florida State drive stalled early in the fourth quarter with the Seminoles trailing by four, Bowden and his son proved they had nothing to lose by boldly going for it on fourth and long. Carr easily made his TD catch a step from the end zone when his defender fell down.

Brandon Breazell caught a 78-yard TD pass and Junior Taylor had a scoring catch in the first half for the Bruins, who finished a mediocre regular season playing some of their best football in Dorrell's four seasons.

The Bruins led 20-13 at halftime, and a game expected to be dominated by defense featured 501 total yards in the first half alone.

"We have to use this to drive ourselves to getting better," UCLA linebacker Christian Taylor said. "We need to work even harder in the offseason, because we know we have some weaknesses. Someone had to lose and it's disappointing it was us."
